

An anatomical engraving of a human brain, viewed from a superior perspective. The brain is highly detailed, showing the complex folds of the cerebral cortex. Numerous letters (A, B, C, D, E, F, G, H, I, J, K, L, M, N, O, P, Q, R, S, T, U, V, W, X, Y, Z) are placed throughout the image to label specific anatomical features. The engraving is in a classic, detailed style, typical of 18th or 19th-century medical illustrations.
